| SECTION 4. First sid messures   |   |
|---|---|
| SECTION 4: First aid measures<br>4.1. Description of first aid measures   |   |
| First-aid measures general  | : Get medical advice/attention if you feel unwell.  |
| First-aid measures after inhalation   | : Remove person to fresh air and keep comfortable for breathing.                                    |
| First-aid measures after skin contact   | : Wash with plenty of water/  |
| First-aid measures after eye contact  | : IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if            |
|   | present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. |
| First-aid measures after ingestion  | : Give nothing or a little water to drink. Get medical advice/attention if you feel unwell.         |
| 4.2. Most important symptoms and effec  |   |
| Symptoms/effects after inhalation   | : May cause respiratory irritation.   |
| Symptoms/effects after skin contact   | : Repeated exposure may cause skin dryness or cracking.   |
| Symptoms/effects after eye contact  | : Causes eye irritation.  |
| Symptoms/effects after ingestion  | : May cause a light irritation of the linings of the mouth, throat, and gastrointestinal tract.     |
| 4.3. Indication of any immediate medical  | attention and special treatment needed  |
| Treat symptomatically.  |   |
| SECTION 5: Firefighting measures  |   |
| 5.1. Extinguishing media  |   |
| Suitable extinguishing media  | : Carbon dioxide. Dry powder. Foam.   |
| 5.2. Special hazards arising from the sub<br>No additional information available  | ostance or mixture  |
| 5.3. Advice for firefighters  |   |
| No additional information available   |   |
| SECTION 6: Accidental release meas  |   |
| 6.1. Personal precautions, protective equ   | alpment and emergency procedures  |
| 6.1.1. For non-emergency personnel  |   |
| Emergency procedures  | : Evacuate unnecessary personnel.   |
| 6.1.2. For emergency responders   |   |
| Protective equipment  | : Use personal protective equipment as required.  |
|   |   |
| 6.2. Environmental precautions  |   |
| 6.2. Environmental precautions<br>Avoid release to the environment.   |   |
|   | nt and cleaning up  |
| Avoid release to the environment.<br>6.3. Methods and material for containme<br>For containment   | ent and cleaning up<br>: Collect spillage.  |
| Avoid release to the environment.<br>6.3. Methods and material for containme  |   |
| Avoid release to the environment.<br>6.3. Methods and material for containmer<br>For containment<br>Methods for cleaning up<br>6.4. Reference to other sections | : Collect spillage.   |

| SECTION 7: Handling and storage               |   |
|---|---|
| 7.1. Precautions for safe handling            |   |
| Precautions for safe handling                 | : Avoid contact with eyes.  |
| Hygiene measures                              | : Do not eat, drink or smoke when using this product.             |
| 7.2. Conditions for safe storage, including a | ny incompatibilities  |
| Technical measures                            | : Does not require any specific or particular technical measures. |
| Storage conditions                            | : Keep container closed when not in use.                          |
| Incompatible products                         | : Oxidizing agent. Strong acids. Strong bases.                    |
| Special rules on packaging                    | : Keep only in original container.                                |
| 7.3. Specific end use(s)                      |   |
| No additional information available           |   |

### Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

| 8.1. Control parameters | <b>SECTION 8: Exposure controls/personal</b> | protection |
|-------------------------|--|------------|
| on of parametero        | 8.1. Control parameters                      |            |

No additional information available 8.2. Exposure controls

### Materials for protective clothing:

Not required for normal conditions of use

### Hand protection:

In case of repeated or prolonged contact wear gloves. Chemical resistant gloves (according to European standard EN 374 or equivalent)

### Eye protection:

Safety glasses. EN 166

### Skin and body protection:

Not required for normal conditions of use

### **Respiratory protection:**

Not required for normal conditions of use

### Personal protective equipment symbol(s):

| SECTION 9: Physical and chemical properties |                     |  |
|---|---------------------|--|
| 9.1. Information on basic physical and cl   |                     |  |
| Physical state                              | : Liquid            |  |
| Appearance                                  | : Mobile liquid.    |  |
| Colour                                      | : Yellow.           |  |
| Odour                                       | : lemon-like.       |  |
| Odour threshold                             | : No data available |  |
| рН  | : 3.5               |  |
| Relative evaporation rate (butylacetate=1)  | : No data available |  |
| Melting point                               | : No data available |  |
| Freezing point                              | : No data available |  |
| Boiling point                               | : >= 100 °C         |  |
| Flash point                                 | : No data available |  |
| Auto-ignition temperature                   | : No data available |  |
| Decomposition temperature                   | : No data available |  |
| Flammability (solid, gas)                   | : No data available |  |
| Vapour pressure                             | : No data available |  |
| Relative vapour density at 20 °C            | : No data available |  |
| Relative density                            | : 1.01              |  |
| Solubility                                  | : Soluble in water. |  |
| Log Pow                                     | : No data available |  |
| Viscosity, kinematic                        | : No data available |  |
| Viscosity, dynamic                          | : No data available |  |
| Explosive properties                        | : No data available |  |
| Oxidising properties                        | : No data available |  |
| Explosive limits                            | : No data available |  |
| 9.2. Other information                      |                     |  |
| No additional information available         |                     |  |
|   |                     |  |

### SECTION 10: Stability and reactivity 10.1. Reactivity

The product is non-reactive under normal conditions of use, storage and transport.

10.2. Chemical stability

Stable under normal conditions of use.

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

10.3. Possibility of hazardous reactions

No dangerous reactions known under normal conditions of use.

10.4. Conditions to avoid

None under recommended storage and handling conditions (see section 7). 10.5. Incompatible materials

None under normal use.

**10.6. Hazardous decomposition products** 

Under normal conditions of storage and use, hazardous decomposition products should not be produced.

| <b>11.1. Information on toxicological</b><br>Acute toxicity (oral) | : Not classified                 |
